Dear Paulshof West-West Residents

The PRRA committee plans to focus on two major outcomes during 2012:

- Better security and a lower crime-incident rate.
- One inclusive, growing Paulshof community incorporating all areas of Paulshof, where every resident has a sense of belonging as being part of one community.

Plans and a strategy to make these outcomes happen started in 2011 and as we move forward into 2012, meetings, communication and participation by all the relevant stakeholders is happening. But we need everyone in the community on board and particularly encourage all Paulshof West-West residents to engage with us and become members of the PRRA.

It is our intention to pull together as many resources as possible, working together to create a safer, more cohesive suburb with good communication. This, I believe, will go a long way to achieving our outcomes.

We also encourage any interested persons to join the committee or to get involved in assisting the committee in any way possible as there are a number of projects we are working on, that require manpower.

To become **a member of the PRRA**, an online application can be completed on the website, the link being: <http://www.paulshof.org/register.php>

The **latest newsletter** can be found at: <http://www.paulshof.org/community-news.html>

By becoming a member, residents will receive the monthly newsletter and newsflashes (however, these can also be subscribed to via the website under "Contact Us"). Benefits such as the Loyalty Card which we are in the process of re-negotiating with participating businesses will be offered to PRRA members at no extra cost. Importantly, the R100 membership fee will enable us to gather much needed finances that will go towards various projects which will benefit the entire community of Paulshof.

We look forward to getting you on board and to getting to know you. Feel free to make contact with me directly.

Kind regards
